Bourbon Republicans Have Warm Convention.

The Republicans of Bourbon county met in convention in this city Saturday afternoon for the purpose of selecting delegates to the convention to nominate a candidate for Railroad Commissioner from the Third Railroad District and after three hours of wrangling, the convention resulted in a split between the Garrett and Craig factions.

On the face of the count Garrett received the instructions from Bourbon county by a majority of 165 votes, but the Craig forces, claiming unfairness, held a separate convention and passed resolutions instructing their delegation for the Covington Man.

The convention was one of the warmest held in this city in years, with the exception of the Taft-Fairbanks convention, which brought together the Republicans of this county in one of the most bitter contests waged here in several years.

In spite of the heat and excitement of the convention only one hostile demonstration occurred, which was of little consequence, and police interference prevented any possibility of a further attempt at hostilities.

The Craig forces, which up to the time of the convention were led by George W. Stuart, Chairman of the Bourbon County Republican Committee, foresaw the probability of defeat, and in an effort to secure the instructions of the county, Stuart announced himself as a candidate for Railroad Commissioner, after offering his resignation as county chairman, and asked that the opposing factions unite and instruct the delegation for him. The leaders of the Garrett faction declining to consider his proposition insisted upon a vote being taken for temporary chairman and put in nomination A. B. Thomason of North Middletown, ex-Postmaster J. L. Earlywine, a Craig supporter, was also named.

The crowd was then ordered to line up on Main street for the purpose of counting the adherents of both sides. M. R. Jacoby and J. W. Larkin were appointed tellers and considerable time was taken up in counting the votes. The tellers had proceeded from Eighth street to the Baptist church counting the Earlywine adherents, when the tellers refused to go further, giving as the reason that a large number of the voters were repeating. The charge was made by the Craig faction that the tellers refused to continue the count after proceeding a short time and withdrew from the convention.

The final count as returned by the tellers was Thomason 666, Earlywine 401. After considerable wrangling it was decided to give Earlywine the benefit of one hundred votes. Claiming unfairness they held a rump convention on the steps of the Baptist church, selecting James Shear as Chairman and Jim Brooks, a negro, as Secretary. After introducing resolutions the following delegates and alternates were named by the Craig men:

A. W. Cottingham, G. W. Stuart, J. B. McClintock, W. W. Jackson, George Mason, Horace Mitenell, J. W. Larkin, S. L. Weathers, Edward Gorey, Frank Frazier, Charles Stephenson, W. L. Yerkes, William Cherry, James Shea, French Thompson, J. P. Hutchcraft, W. J. Calvert, Thomas West and Moses Towles. Alternates: Dr. Frank Fithian, W. S. Hall, Sam Patrick, William Edwards, Jr., William Freeman, J. W. Bramlette, James Corbin, Frank Thompson, R. D. Grant, H. C. Peters, R. B. Hutchcraft, Sam Johnson, Allie Hill, George W. Wilder.

The regulars withdrew to the Christian church where they organized the convention with George H. Johnson, a negro, as secretary and selected the following delegates: Chas. Hough, W. A. Thomason, A. J. Mabrier, T. C. Livingston, Riley Dotson, Ewart Haley, Pat Kane, D. Hune, T. H. Clay, Jr., Stamps Moore, W. A. Thomason, A. B. Thomason, N. A. Moore, S. Ayers, S. W. Duncan, Jim Gaines, Allen Beatty, Jim Duncan, Geo. Nelson, Milt Woodward, Rev. Campbell, J. D. Shy, M. R. Jacoby.

Kaiser Will Stick With Cubs.

During the game between Cincinnati and Chicago Al. Kaiser, the Cub outfielder, had one of his fingers broken, while attempting to field a line drive. He will be out of the game for some time as a result of his injury.

A dispatch from Chicago says Billy Smith, manager of the Chattanooga club, called President Murphy of the Cubs over long distance and tried to buy Kaiser. "Not for your whole town," was Murphy's reply. "Who said you could get him?" he then asked. And the answer was that Garry Hermann had told them Kaiser was not making good and might be procured. Cincinnati is Kaiser's home town and he was overlooked by all the Cincinnati scouts, though he played exhibition games with the Reds. This may have been Garry's little way of getting even.

Desirable Property.

Barnes Palace is the first resident district on Main street to be thrown open to the public in the history of the city. Located within a stone's throw of the junction of the different divisions of the Louisville & Nashville railroad system, it readily becomes the most desirable property now on the market. Every lot will be sold on Thursday, May 11, at 2 p. m.

Extra Attraction at the Grand Tomorrow Night.

After several weeks' negotiations Manager Porter has succeeded in booking for the Grand for Wednesday and Thursday nights of this week what is conceded to be the sweetest, neatest and cleverest act in vaudeville, Dainty Jane Roberts and company in the "Dollmaker's Dream." The act was at the Grand last season and made a tremendous hit. The dancing of Miss Jane Roberts, the dainty little miss, cannot be surpassed by any child on the stage today, and the acting of the little three-year-old fairy wins the heart of everyone in the audience. In connection with a good single act and two splendid pictures this will be the largest bill of the season.

The Barnes Lot Sale.

The lots in Barnes Place, to be sold at auction on Thursday, May 11, at 2 p. m., will be sold to white people only. Just across from Barnes Place are the yards of the Louisville & Nashville railroad. This big field of railroad activity looks like one was near the city of Chicago.

A few yards distant are the buildings of the round house and machine shops now going up. These lots, as an investment, means a sure profit for the near future. Be on the ground No by-bidding and every lot offered will be sold.

Profitable Hens.

Mrs. Frank Lair, who lives in Bourbon county, a short distance from the Harrison line, has one hundred and fifty hens that are showing considerable class. From March 1 to April 21, fifty-two days, the hens laid 6,155 eggs. Mrs. Lair sold 5,748 at the market price realizing a little over \$1.20 a day.

Will Eliminate Tobacco Culture.

The growing of forage crops and handling live stock on a large scale will be the pursuit of two prominent Bourbon farmers, who have decided to eliminate the culture of tobacco in the future. The farmers are Mr. Thos. H. Clay and his son, Mr. Thos. H. Clay, Jr.

The Messrs. Clay raised only a small crop of tobacco last year, and for 1911

cancelled the insurance on their tobacco barns and had them re-insured as stock barns.

The depredations of night riders and

the failure of farmers throughout the

Burke district to agree upon a defi-

nite and fixed course to pursue, has

determined Mr. Clay and his son to

cut out the growing of tobacco.

They say the culture of tobacco

drains the soil of its fertility, while

the stock of forage crops to be fed

to live stock, followed by clover crops

to be plowed under, improves land and

conserves its resources for future

generations.

Bourbonites Dub T. U. Team.

The Paris team administered a severe dubbing to the Transylvania University team at White Park yesterday afternoon and after nine innings of farce performing the Bourbonites had piled up a total of twenty-six runs to their opponent's one. Shaw, McGowan and Frances performed for the University club and all three pitchers were hit hard. Timmons, Hauser and Shears did the pitching for Paris.

Harold, the little side-wheeler, who was with the Bourbonites last year, reported to McKernan Friday night.

Kentucky Wesleyan College will be here for a game with the Bourbonites Thursday afternoon and on Sunday the club from Cynthiana will be the attraction at League Park.

Paris fans will have the opportunity to witness the opening game of the Bourbonites with the Maysville club on Tuesday, May 9. An excursion will be run from this city to Maysville leaving Paris at 12:15 o'clock arriving in Maysville in ample time for the game and returning about 7 o'clock. The fare for the round trip will be \$1.00.

The Paris Club has signed Danny Harrell, the fast infielder, who last year held down the position on second for the Lawmakers. Harrell is well known in Paris and was regarded as being one of the fastest men in the Blue Grass League last year on the base.

Last year he batted .219, fielded .914 and had more putouts to his credit than any other second baseman in the league, and was second to McKernan in the number of assists. During the season he stole 46 bases, ranking next to Kircher who has to his credit a total of 51.

Police Court.

William Quinlan and James Cain, charged with being drunk and disorderly, were each fined \$17.50 by Police Judge January Friday. There is a warrant out for Finn Mahoney, charged with the same offense, but so far he has not been apprehended. The three mentioned above got into an altercation with Beecher Bell, a negro, and chased him for several blocks, finally driving him into Dan Peed's stable on Main street. After the trial a warrant was issued from the same court against Beecher Hall, charging him with drawing a knife on the defendants. Judge January dismissed the warrant.

In Police Court yesterday for drunkenness Ernest Small and Grant Brown, both negroes, were assessed a fine of \$7.50 each by Police Judge E. B. January.

Circumcision Rites Performed

The rites of circumcision were performed Sunday morning at 11 o'clock by Rabbi Krasner of Lexington, over Louis, the son of Mr. and Mrs. J. Elmore, at their home in this city. After the ceremonies a lunch was served. Those present were: Rabbi Krasner, Jos. Elmore, Sam Kogen, Mr. and Mrs. B. "What I always like to do," he writes, "is to recommend Dr. King's New Discovery for weak, sore lungs, hard colds, hoarseness, obstinate coughs, laryngeal, croup, asthma or other bronchial affection, for I feel sure that a number of my neighbors are alive and well today because they took my advice to use it. Movement of the Air.
The movement of air is variously designated, according to its velocity, as a zephyr, breeze, wind, gale or hurricane. With fogs the designations are mists, slight, moderate or thick. A dense or thick fog, according to the weather bureau, obscures objects at a distance of 1,000 feet.

Starts Much Trouble.

If all people knew what neglect of constipation would result in severe indigestion, yellow jaundice or virulent liver trouble they would soon take Dr. King's New Life Pills and end it. It's the only safe way. Best for biliousness, headache, dyspepsia, chills and debility. 25¢ at Oberdorfer's.

BLACK HAWK CORN PLANTER No. 15 VARIABLE DROP!

Light Draft, Simple Construction.

Wur special new feature in this planter is that we not only get an accurate number of kernels in each hill, but we get the number of kernels in each hill which the fertility of the soil is able to bring to perfect maturity.

No field was ever known to contain exact uniformity in strength of soil. It is just as unreasonable to expect the same results from thin, weak soil, in comparison with deep, rich soil, as it is to expect a child to do a man's work. This is a reasonable proposition, particularly to the scientific corn grower.

More money is being spent and greater efforts along educational lines are being made to-day than ever before in the world's history to increase the yield of corn per acre. We contributed a very large effort to accomplish these results with our Black Hawk single kernel edge drop, and we now add to our combination the No. 15 Variable Drop, with which the drop can be changed to 2, 3 or 4 kernels in a hill without stopping the team; or can drill 7 1-2, 10 or 15 inches, 9, 12 or 17 1-2 inches, or 11, 14 or 22 inches apart, without stopping the team.

Hand Drop Attachment with each Planter, has Foot Drop also. Will plant last two rows and wind wire at same time. Come and let us show you the best planter made.

Many a mother has learned of a
way of avoiding sickness in her fam-
ily, especially among the children, by
the use of a free sample bottle of the
famous laxative, Dr. Caldwell's Syrup
Pepsin. This offer of the doctor's to
send a free sample bottle has been re-
sponded to by thousands of women
in all parts of America.

Dr. Caldwell's Syrup Pepsin is a
truly wonderful laxative, and espe-
cially adapted to the needs of babies
and children because it is pleasant to
taste and no child will refuse it. Then
it is mild and never gripes. It is all
that a child's remedy should be,
though it is a good laxative for the
whole family because it is effective
at all ages. It is not dynamic like
salts, pills and powerful cathartics,
which should not be given to chil-
dren under any circumstances.

Nine times out of ten when a child
complains and you don't know ex-
actly what is the matter with it, it
needs a laxative—its bowels are con-
stipated. Syrup Pepsin will correct
the trouble, tone up the child and
soon it will be well again—wonder-
ful results have been secured with
Syrup Pepsin over night.

You can buy it of any druggist at
fifty cents or a dollar a bottle, the
latter being the family size, but you
are invited to make a test of it first
at the doctor's expense. Send him
your address today and he will send
you a free sample bottle direct to
your home. Then when satisfied buy
it of your favorite druggist.

Billie Burke at Lexington.

Miss Billie Burke will be at the Lexington Opera House Thursday, May 4, in "Mrs. Dot." "Mrs. Dot" is a witty, satirical comedy by W. Somerset Maugham, the English dramatist who has furnished so many successes to the American as well as to the London stage. John Drew has done two of his plays, "Jack Straw," a few seasons ago and "Smith," the piece in which he is appearing this season. Miss Ethel Barrymore had another, "Lady Frederick," which she presented at the same time that Mr. Drew was doing "Jack Straw." Still another, "Penelope," was presented by Miss Marie Tempest last season. "Mrs. Dot" is generally considered the most interesting and amusing of the lot. In it a pretty, youthful widow, the relict of a wealthy brewer, sets her cap for a young Englishman. The Englishman is quite willing to be husband No. 2, but unfortunately he has got himself engaged to another young woman, and, as he expresses it, he isn't bad enough to jilt her even if he doesn't love her. Mrs. Dot is bound to have him, however, and how she manages to get rid of the other woman—that's the play. The role of the youthful widow suits Miss Burke admirably—the critics say it is far and away the best role she has had since she became a star.
